

Use of building's shared laundry room

- Only the **resident's own laundry** may be washed in the laundry.
- Use of the laundry room is allowed from **7 AM until 10 PM**.
- There is no separate fee for the use of the laundry, the right of use is included in the rent.
- Only clothes, bed linen and towels may be washed in shared laundry machines.
- **It is forbidden to wash carpets** in the premises and machines of the laundry room.
- The maximum number of bookings is two consecutive shifts, the length of one shift is 2 hours.
- The same apartment can have a maximum of two valid reservations at a time. Booking so-called regular shifts at the beginning of the month for the whole month is not allowed.
- The use of the shared laundry will be postponed to the next one if the shift has not been taken into use within 15 minutes of the start of the reservation.
- **All laundry shifts must be booked and listed**, even those that have not been booked in advance.
- **It is forbidden to use bleaching and dyeing agents** in the washing machine.
- Only wash full loads of laundry.
- We recommend using unscented detergents and fabric softeners.

Use of drying room

- There is no separate reservation list for the drying room.
- The drying blower may be used between **7 AM and 22 PM**.
- Only laundry washed at home or in a house laundry can be dried in the drying room.
- **It is forbidden to dry carpets in the drying room**.
- Dry laundry must be removed from the drying room as soon as it has dried, so that there is room for all users.

General

- At the end of the washing shift, turn off the machines and lights and close the doors and windows.
- Users of house laundry facilities are obliged to clean up after themselves and leave the machines and facilities in tidy condition for the next user.
- Any faults or deficiencies noted in the equipment or space must be reported to the service without delay.
- Guidance on booking shifts and using the house laundry is available from property maintenance.
